

The Law is published in the FBiH Official gazette no. 97/07, issued December 31, 2007.

LAW ON PROFIT TAX

December 31, 2007

LAW ON PROFIT TAX

I BASIC PROVISIONS

1. General Provisions

Article 1

(1) Profit tax throughout the territory of the Federation of Bosnia and Herzegovina (hereinafter: the Federation) shall be determined and paid in accordance with the provisions of this Law and regulations issued on the basis of this Law.

(2) Distribution and allocation of the revenues from the profit tax shall be defined by separate law.

II TAXPAYER

Article 2

(1) A taxpayer shall be an enterprise and other legal entities performing an independent permanent economic activity through the sales of goods and provision of services on the market in order to make profit (hereinafter: taxpayer).

(2) A taxpayer from the Paragraph 1. of this Article shall be a resident of the Federation, making profit on the territory of the Federation and abroad.

(3) A taxpayer shall be a non-resident making profit on the territory of the Federation.

1. Persons not subject to profit tax payment

Article 3

(1) The taxpayers who shall not be subject to profit tax payment are the following:

- 1) Central Bank of Bosnia and Herzegovina
- 2) Bodies of Federation, cantonal and local government,
- 3) Federation, cantonal and local institutions, bureaus, religious communities, political parties, union, chambers, associations, artistic associations, firefighters' associations, tourist associations, sports clubs and

associations, foundations, trust funds, humanitarian organizations etc, on the basis of: income from the budget or public funds, sponsorships or donations in money or goods, interest, dividends, membership fees, income from sales or transfer of goods except goods being used or that were used for business activity performance.

(2) When the entities from the Paragraph 1, Item 3) of this article perform the activity non-related to their registered activity, they shall be subject to tax payment for the profit generated through performance of that activity.

2. Resident and non-resident

Article 4.

1. A Resident in the sense of Art. 2, Paragraph 2. of this Law shall be a legal entity with principal place of business (HQ) (Registration) entered into the registry of enterprises in the Federation or with actual management and supervision over the business activities in the Federation.
2. A Non-resident from the Art.2. Paragraph 3 shall be a legal entity established and with HQ or actual management and supervision over the business activities outside of the Federation and business activities in the Federation are carried out through the branch office or temporary establishment.

3. Business unit of non-resident

Article 5.

1. Business unit of a non-resident from the article 4. Paragraph.2 shall be permanent place of business where non-resident carries out, completely or partially, permanent activity in the territory of the Federation.
2. The business unit of a non-resident shall be considered to be:
 - Headquarters of the management
 - field office
 - branch office
 - factory
 - workshop
 - place of exploitation of natural resources
 - construction site (buildings or prefabricated buildings) when the work duration exceeds 6 months
 - providing consulting and business services when duration exceeds continuous 3 months over the 12-month period
 - agent acting independently on behalf of non-resident, related to the activities of entering into contracts in the name and on behalf of non-residents, keeping stocks of goods delivered on behalf of non-resident.

Article .6

Business unit of a non-resident shall not be considered:

- premises used by a non-resident solely as a storage or for delivery of goods, location where the stocks of goods are kept solely for storage, exhibition or delivery or processing carried out by a third party
- place of business used solely for purchase of goods, preparation or performing auxiliary activities or gathering information.

III TAX BASE

1. General provisions

Article 7

- (1) Tax base shall be taxable profit of the taxpayer determined in tax balance.
- (2) Taxable profit shall be determined by adjusting taxpayer profit declared in the profit and loss sheet in the manner prescribed by this Law.
- (3) Taxable base shall include profit from liquidation

2. Expenditures adjustment

Article 8

Determining taxable profit shall recognize only expenditures in the amounts defined by the profit and loss sheet in accordance with the accounting regulations and International Accounting Standards (hereinafter: IAS), except the expenditures this Law prescribes different manner of determining for.

Article 9

- (1) Material expenses shall be recognized in the amounts shown in profit and loss sheet, in accordance with accounting regulations and IAS, by applying the method of average price.
- (2) Calculation of purchasing value of merchandize sold shall be performed in the manner described in the Paragraph 1 of this article.
- (3) When the material supplies and merchandize are recorded per calculation prices deviating from the purchase prices, the calculation of the deviation (difference) shall be done in the manner bringing costs of materials, i.e. purchase values of goods sold on the amounts resulting from the application of average price method.

Article 10

- (1) Costs of earnings, i.e. personal income of employees (compensations and other material receiving) not holding characteristics of salary, shall be recognized in the amount

calculated as business expenditures up the amount prescribed by special regulations (per diem, use of private vehicle for business purposes, meals during working hours and transport to work....).

(2) Income of employees or other persons, arising from distributions on the basis of the right to participate in taxpayers' profit shall not be expenditures in the sense of tax balance.

Article 11

(1) Representation costs, pertaining to business activity, shall be recognized as expenditures in amount of 30% of representation costs.

(2) Donations for humanitarian, cultural, educational, scientific and sports purposes (except professional sports) shall be recognized as expenditure in amount of up to 3 % of total income in tax period.

(3) Expenses of the membership fees to the chambers shall be recognized as expenditure in the amount not exceeding 0.1% of total income in tax period if these membership fees are prescribed by the Law.

(4) Expenses based on sponsorship shall be recognized in amount of 2% of total income in tax period.

Article 12

(1) Only reservations prescribed in this article shall be recognized as expenditures in tax balance.

(2) In accordance with the Paragraph 1 of this Article, as tax allowable expenditure shall be recognized expenditures of reservation for risks and expenditures in accordance with the laws and other regulations and reservations based on the contract for the following:

- Reservations for severance pay paid up to the prescribed amount,
- Reservations for expenditures of natural resources renewal,
- Reservations for expenditures in guarantee timeframes,
- Reservations for initiated court procedures.

(3) In the case when reservations from the Paragraph 2 of this Article are not used within due dates, the reservations shall be treated as income.

Article 13

1. All costs pertaining to research and development shall be recognized as expenditures in tax balance.

2. The expenses pertaining to providing scholarships to full time students shall be recognized as expenditures in tax balance.

Article 14

(1) The expenses occurring based on the write-off of disputable and suspectable bills receivable shall be recognized in tax balance as expenditures.

(2) Receivables are considered as disputable if they are not collected within 12 months from the due date, if taxpayer initiated law suit or filed request to relevant court, enforced collection was initiated, if these receivables are part of bankruptcy procedure of debt and if agreement was reached with debtor in procedure of bankruptcy or liquidation.

Article 15

The contributions paid by the employer, fees and other public duties that do not depend on business results shall be recognized as expenditures in tax balance.

Article 16

(1) Reserves for general credit losses in banks that are formed in accordance with special regulations shall be recognized as expenditures in tax balance.

(2) Reserves that insurance and reinsurance companies must form in accordance with special regulations shall be recognized as expenditures in tax balance.

(3) The reserves from the Paragraph 1 of this Article shall not exceed 20% of profit declared in profit and loss account.

Article 17

(1) Total calculated interest shall be recognized as expenditure in tax balance except:

- 1) Interest calculated at loans marked with transfer price that shall be reduced in the manner prescribed in the Article 48 of this Law,
- 2) Interest calculated due to untimely payment of taxes, contributions and other public duties.

(2) Financial fines and penalties paid by the taxpayer for the violations shall not be recognized in tax balance as expenditures.

(3) Profit tax on profit of companys paid as well as donations to political parties shall not be recognized as expenditure in tax balance.

3. Depreciation

Article 18

(1) Deduction based on depreciation shall be allowed only related to the property subject to depreciation.

(2) Depreciation of fixed assets shall be recognized as expenditure in tax balance up the amount established by proportionate method of application of the highest annual depreciation rates, prescribed by the regulatory act (by-law).

(3) The property being depreciated and of purchase value under 1,000 KM can be fully deducted in the purchase year, conditioned that the property was put in function.

(4) Purchase value of computer hardware and software can be deducted fully in the year of purchase.

(5) Depreciated assets once depreciated shall not be re-included in depreciation calculation for the purposes of tax balance.

(6) Expenditures of depreciation shall be considered to be the increases in the value of fixed assets due to the revalorization.

4. Accelerated Depreciation

Article 19

(1) The taxpayer holds the right to accelerated depreciation of fixed assets under the conditions defined by this Law.

(2) Accelerated depreciation shall be conducted in the manner described in the Article 18, Paragraph 2, per rates that may exceed the prescribed rates by up to 50%..

(3) Right to accelerated depreciation the taxpayer shall hold for fixed assets used for the following:

- 1) Prevention of air, water and land pollution and noise reduction
- 2) Education and training of staff

5. Income Adjustment

Article 20

Income for assessment of taxable profit shall be income from the sales of products, services, goods, materials and financial, extraordinary and other income calculated in the profit and loss balance in accordance with accounting regulations and IAS.

Article 21

(1) Dividends realized based on participation in the capital of other taxpayer shall not be included in the tax base.

(2) Dividends shall, in the sense of this Law, be considered shares in the profit of enterprise.

Article 22

Income on the basis of collected written off debts in the case when these were included in the income in previous period and were not subject to tax allowable or recognized expenditure shall not be included in the tax base.

Article 23

(1) In the value of stocks of unfinished production, semi-products and finished products for the calculation of taxable profit the expenses of production shall be recognized in accordance with accounting regulations and IAS.

(2) Value of supplies calculated in accordance with the Paragraph 1 of this Article shall not exceed sales value on the day of balance filing.

6. Tax Treatment of Losses

Article 24

(1) When, upon tax base reduction for the profit tax, the losses show in tax balance, then the loss declared in tax balance can be transferred against the profit in future tax period, but not exceeding five years.

(2) The loss from the Paragraph 1 of this Article that could not be deducted in the current year shall be compensated in the first consecutive year so that the tax base shall always be reduced for the loss of prior date.

(3) Tax loss of legal entity occurring outside of the territory of the Federation, in the Republic of Srpska or Brcko District as well as abroad shall not be recognized.

IV TAX TREATMENT OF CHANGE IN FORM OF COMPANY AND LIQUIDATION OF TAXPAYER

1. Change of form of company

Article 25

- (1) If taxpayer changes legal form (merger, acquisition, division) and keeps recording bookkeeping value of property and liabilities, change of legal form shall not have impact on taxation.
- (2) If bookkeeping values are not used in the case from Paragraph 1, difference of capital that derives from change of legal form shall be considered as taxable profit.
- (3) Rights and duties of taxpayers who went through merger, acquisition or division shall be taken over by legal successor from tax legal relationship.
- (4) Taxpayers who are subject of merger, acquisition or division shall send financial reports and tax declaration with tax balance to the Tax Administration calculating from the day before merger, acquisition or division.

Article 26

(1) If there is continuity in taxation in case of merger, acquisition or division, taxpayer, it shall be considered that taxpayer continues activity and it shall not have impact on taxation.

(2) Continuity in taxation from Paragraph 1 of this Article exists if there is no change in estimate of property and liabilities in transfer to legal successor.

(3) Provisions of Paragraphs 1 and 2 shall be applied regardless if it is one or more companies that did transfer i.e. newly created companies.

Article 27

- (1) Profit determined in process of taxpayer liquidation shall be subject to taxation.
- (2) Profit of taxpayer in the course of liquidation process shall be determined by comparison of net assets in the beginning and in the end of liquidation process.
- (3) Taxpayer that is subject of liquidation process shall be obliged to close business books and prepare liquidation opening balance i.e. annual calculation on the day when liquidation process starts.

2. Liquidation

Article 28

Liquidation surplus (remaining net assets) that belongs to owner after taxation and payment of bookkeeping value of net assets shall be considered as dividend in terms of this Law.

Article 29

When the accounting value of the share exceeds the amount of liquidation surplus, the owner from the Article 26 of this Law shall declare loss that shall not be recognized as tax allowed reduction of the tax base.
